Comment:

 the Soviet enclosures surrounded by barbed-wire fences covered more than half of the city area.

Comment:

a. The report confirms the LIEGNITZ Hq of the Northern Group of Forces up to 7 October 1949.

b. The intensified military traffic in LIEGNITZ was presumably connected with the return from maneuvers of Soviet troops.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
